FELLOWSHIPS / SCHOLARSHIPS

The Villers Fellowship

The Villers Fellowship for Health Care Justice (<http://www.familiesusa.org/about/the-villers-fellowship.html>) was created in 2005 by Philippe Villers, Founder and President of Families USA. Villers Fellows will conduct research on a range of health care policy issues, and write and contribute to publications that are relevant to current health policy debates.

The application deadline for the Villers Fellowship is January 15, 2009.

Visit: <http://www.familiesusa.org/about/the-villers-fellowship.html> for more information. If you have any questions about the Villers Fellowship for Health Care Justice or would like to request hard copies of the application brochure, please email: villersfellowship@familiesusa.org.

The Wellstone Fellowship

The Wellstone Fellowship for Social Justice (<http://www.familiesusa.org/about/wellstone-fellowship.html>) aims to advance social justice through health care advocacy by focusing particularly on the unique challenges facing communities of color. Through this fellowship, established to honor the memory of the late Senator Paul D. Wellstone, the hope is to expand the pool of talented social justice advocates from underrepresented racial and ethnic minority groups.

You can find more information, including a downloadable application form, on our Web site:

<http://www.familiesusa.org/about/wellstone-fellowship.html>

The application deadline for the Wellstone Fellowship is February 6, 2009.

If you have any questions about the Wellstone Fellowship for Social Justice please email: wellstonefellowship@familiesusa.org.

Both fellowships are year-long, full-time, salaried positions at our office in Washington, DC. Each year, one candidate will be selected for each fellowship. Selected fellows will receive a compensatory package that includes an annual salary of \$35,000 and excellent health care benefits.

Southeast Regional Network Fellowship

Applications are now open for the Environmental Leadership Program's 2009 Southeast Regional Network Fellowship class. For more information about our Fellowship program contact Cerise Bridges at 205.532.1719 or visit

FELLOWSHIPS / SCHOLARSHIPS

Public Health Informatics Fellowship

Application Deadline --- November 14, 2008

CDC offers a 2-year postgraduate fellowship in public health informatics, the systematic application of information technology to public health practice, research, and learning. Fellows receive training in both informatics and public health, are assigned to teams involved in research and development of CDC information systems, and are given the opportunity to lead one or more major projects during their fellowships.

The deadline to apply for the fellowship period beginning July 2009 is November 14, 2008. All supporting documents must be received by the Public Health Informatics Fellowship office by November 21, 2008.

Additional information regarding the application process is available at <http://www.cdc.gov/epo/phifp/appinfo.htm>. Additional information regarding the program is available at <http://www.cdc.gov/epo/phifp>, by telephone, 404-498-6219, or by e-mail, phifp@cdc.gov (subject line: request info).

NCHS/AcademyHealth

Health Policy Fellowship

Call for Applications due January 5, 2009

The Centers for Disease Control (CDC) and Prevention's National Center for Health Statistics (NCHS) and AcademyHealth are seeking applications for their 2009 Health Policy Fellowship. The aim of the fellowship is to foster collaboration between NCHS staff and visiting scholars. The fellowship allows scholars to conduct new and innovative analyses and participate in developmental and health policy activities related to the design and content of future NCHS surveys and offers access to the data resources (<http://www.cdc.gov/nchs/express.htm>) provided by the CDC. Applicants may be at any stage in their careers--from doctoral students to senior investigators. To learn more about the fellowship, download the application, or view past fellows' profiles, visit the AcademyHealth Web site at www.academyhealth.org/nchs.

ONGOING ANNOUNCEMENTS

Notice to CPH Students

Certificate students must submit the following form:

<http://publichealth.gsu.edu/pdf/GCPHApplication.pdf> prior to completing the certificate program. The form should be submitted to the Graduate Coordinator, Courtney Burton.

Selecting a MPH Specialty Track and Program of Study

By the end of the second semester or after completing required courses, whichever comes first, MPH students must select a specialty track. Selection should be done in consultation with the student's faculty advisor. At the time of selection, a Program of Study (POS) form should be filed by the student. The POS may be updated from time to time as course work progresses. Please see the IPH Graduate Student Handbook for further details and an example of the Program of Study worksheet: <http://publichealth.gsu.edu/pdf/IPHhandbookspring08.pdf>

SAS Software

IS&T has received authorization from SAS Inc. to distribute the SAS analytics software to Georgia State students. SAS version 9.1.3 is available for \$30 per copy, which just covers the cost of the CD and duplication. For more information, contact the Help Center at (404) 413-HELP(4357).

Computer Lab

The College of Health & Human Sciences Computer Lab in the Urban Life Building, Room 955 is available for use by all CHHS students (including MPH students) during normal operating hours.

You merely need to have your student ID with you. Normal operating hours are Mon. - Thurs. 9:00 am - 7:30 pm and Fri. 9:00 am - 5:00 pm. These hours are subject to change periodically, as the lab is sometimes closed for departmental testing or maintenance.

Library Resources for PH Students

Todd Prusin, the College of Health and Human Sciences librarian, will hold research assistance "office hours" in the IPH office suite student/GRA computer lab on Wednesdays from 1-3 PM.

See Todd's website at: <http://www.library.gsu.edu/people/index.asp?ID=225>.
