

Curriculum Vitae

Terry Frank Pechacek, Ph.D. Research Professor of Health Management & Policy

School of Public Health, Georgia State University
Urban Life Building, Suite 858
140 Decatur Street | Atlanta, GA 30303
Mailing Address: P.O. Box 3995 | Atlanta, GA 30303-3995
Phone: 404-413-9321, Mobile: 404-428-8264, FAX: 404-413-1140
tpechacek@gsu.edu

Chinese Name: 伍天锐 Wu Tian Rù

Professional Experience

Research Professor	◇ Division of Health Management & Policy, School of Public Health, Georgia State University, Atlanta, Georgia (2016 to present)
Interim Director	◇ Division of Health Management & Policy, School of Public Health, Georgia State University, Atlanta, Georgia (2015 to 2016)
Visiting Professor	◇ Division of Health Management & Policy, School of Public Health, Georgia State University, Atlanta, Georgia (2014 to 2016)
Deputy Director for Research Translation	◇ Office on Smoking and Health, CDC, Atlanta, Georgia (2012 to 2014)
Associate Director for Science	◇ Office on Smoking and Health, CDC, Atlanta, Georgia (1999 to 2012)
Senior Biomedical Research Scientist	◇ Centers for Disease Control and Prevention, Atlanta, Georgia (1999 to 2014)
Visiting Scientist	◇ Office on Smoking and Health, CDC, Atlanta, Georgia (1995-1999)
Associate Professor	◇ Department of Social and Preventive Medicine, SUNY at Buffalo Medical School, Buffalo, New York (1991-1995)
Acting Chief	◇ Smoking Tobacco and Cancer Branch, Division of Cancer Prevention and Control, National Cancer Institute, Bethesda, Maryland (1988-1990)
Director of Community Trials	◇ Smoking Tobacco and Cancer Program, Division of Cancer Prevention and Control, National Cancer Institute, Bethesda, Maryland (1986-1988)
Associate Professor	◇ Division of Epidemiology, University of Minnesota School of Public Health, Minneapolis, Minnesota (1985-1986)
Assistant Professor	◇ Division of Epidemiology, University of Minnesota School of Public Health, Minneapolis, Minnesota (1980-1985)
Postdoctoral Fellow	◇ Laboratory of Physiological Hygiene, University of Minnesota School of Public Health, Minneapolis, Minnesota (1977-1980)
Research Associate	◇ Psychology Service, Palo Alto VA Hospital, Palo Alto, California (1976-1977)
Clinical Psychology Intern	◇ Psychology Service, Palo Alto VA Hospital, Palo Alto, California (1975-1976)
Assistant Director	◇ Behavioral Health Control Clinic, Department of Educational Psychology, University of Texas, Austin, Texas (1973-1974)
Director of Counseling Services	◇ Career and Guidance Center, Austin, Texas (1970-1973)
Teaching Assistant	◇ Department of Mathematics, University of Texas, Austin, Texas (1970-1971)

Education

Ph.D.	◇ University of Texas, Austin Counseling/Clinical Psychology May, 1977
M.A.	◇ University of Texas, Austin Counseling Psychology May, 1973
B.A. with Honors	◇ University of Texas, Austin Mathematics & Computer Science May, 1970

Major Professional Activities

- Research Professor, Division of Health Management & Policy (HM&P)
 - Senior Investigator, Tobacco Center for Regulatory Science
 - Principal Investigator, “The Impact of Cardiovascular Risk-Benefit Messages on Preferences to Purchase Cigarettes or Alternative Nicotine Delivery Products”
- Professor and Interim Director, Division of Health Management & Policy (HM&P)
 - Supervise tenured and non-tenured Division faculty
 - Coordinate teaching of Division courses in School of Public Health
 - Senior Investigator, Tobacco Center for Regulatory Science
- Lead Federal Scientist and Contributing Author on Surgeon General Reports
 - *The Health Consequences of Smoking—50 Years of Progress (2014)*
 - *Preventing Tobacco Use among Youth and Young Adults (2012)*
 - *How Tobacco Smoke Causes Disease (2010)*
 - *The Health Consequences of Involuntary Exposure to Tobacco Smoke (2006)*
 - *The Health Consequences of Smoking (2004)*
 - *Women and Smoking (2001)*
- Senior Associate Scientific Editor and Contributing Author, *The Health Consequences of Smoking—50 Years of Progress (2014)*.
- Associate Scientific Editor and Contributing Author, *Reducing Tobacco Use: A Report of the Surgeon General (2000)*.
- Senior Scientific Reviewer, Peer Reviewer, or Contributing Author on Surgeon General Reports on Smoking and Health (1979-1998, 2015, 2017).
- Member and Senior Scientist, U.S. Delegation to the Framework Convention on Tobacco Control, Intergovernmental Negotiation Bodies (2001-2003).
- Senior Scientific Coordinator and Lead Author for CDC’s *Best Practices for Comprehensive Tobacco Control* (1999 and 2007).
- Senior Technical Advisor to Dr. Howard Koh, Assistant Secretary of Health, and his senior staff on the overall strategic planning and recommended action plans for the *Ending the Tobacco Epidemic: A Tobacco Control Strategic Action Plan for the U.S. Department of Health and Human Services, May 2010*.
- Senior Technical Advisor to the Office of the U.S. Trade Representative and member of the Clove Trade Dispute Team in World Trade Organization case “*United States—Measures Affecting the Production and Sale of Clove Cigarettes (WT/DS406)*,” 2011.
- Member of Department of Health and Human Services Selection Committee, Chaired by Assistant Secretary Howard Koh, to advise FDA Commissioner Margaret Hamburg on recommendations for the Tobacco Products Scientific Advisory Committee for the new Center for Tobacco Products.
- Technical Advisor and International Mentor, Emory Global Health Institute, Gates China Tobacco Control Partnership, including training for 17 Chinese cities participating in Tobacco Free Cities initiatives, consultation with Shandong University School of Public Health, Jinan, P.R.China and with Jiao Tong University School of Public Health, Shanghai, P.R. China. The GHI-TCP is funded by The Bill and Melinda Gates Foundation to develop and implement sustainable tobacco prevention and control initiatives to address China’s unique needs and challenges.
- Senior Technical Advisor to the Chinese Ministry of Health on the development of report, “*Comparing China and International Smoking Burden, May 2012*”

- Senior Technical Advisor for the Global Adult Tobacco Survey (GATS), a multi-partnership initiative of the World Health Organization, US CDC and national governments to collect nationally representative data on tobacco use. GATS is funded through the Bloomberg Initiative to Reduce Tobacco Use, a program of the Bloomberg Philanthropies.
- Senior Technical Advisor on Comprehensive Tobacco Prevention and Control Strategies for states of Arizona, Arkansas, California, Colorado, the District of Columbia, Florida, Georgia, Hawaii, Indiana, Illinois, Iowa, Kansas, Kentucky, Maine, Massachusetts, Minnesota, Mississippi, Missouri, New Hampshire, New Jersey, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Tennessee, Texas, Utah, Vermont, Virginia, Washington, and West Virginia.
- Testimony before Legislative Committees or Governor's Advisory Panels in the states of Mississippi, New York, Maine, Texas, Minnesota, Arkansas, Vermont, New Hampshire, North Dakota, West Virginia, Indiana, Illinois, Missouri, Ohio, Oklahoma, Florida, Pennsylvania, Virginia, Massachusetts, Oregon, and California.
- Senior Advisor, Asia Pacific Association for the Control of Tobacco (1989-1993)
- Project Officer and Scientific Director for the Community Intervention Trial for Smoking Cessation (COMMIT), an 8.5 year, \$42.6 million, multi-center trial involving 11 pairs of communities in North America (1986-1990).
- Research Advisory Board, Harvard University Institute for the Study of Smoking Behavior and Policy (1984-1987)
- Chairman, Minnesota D-Day (Great American Smokeout) Committee (1982 & 1983).
- Scientific Reviewer, Ad Hoc Study Sections, National Institutes on Health, National Cancer Institute, National Heart Lung and Blood Institute, National Institute on Drug Abuse, and National Institute on Aging (1980-2001).
- Member, Behavioral Medicine Study Section, Division of Research Grants, National Institutes of Health (1980-1981).
- Member, Smoking Working Group for Department of Health, Education and Welfare Conference establishing 1990 Preventing Disease/Promoting Health Objectives for the Nation (1979).

Awards and Honors

- Surgeon General's Medallion for Outstanding Dedication and Support of the Office of the Surgeon General (2006)
- Jeffery P. Koplan Award from National Center for Chronic Disease Prevention and Health Promotion for Outstanding Scientific Contribution (2009)
- Secretary's Award for Distinguished Service for the 50th Anniversary Surgeon General's Report from Department of Health and Human Services (2013)
- Secretary's Award for Distinguished Service from Department of Health and Human Service (2004)
- Charles C. Shepard Science Award from Centers for Disease Control and Prevention for Outstanding Scientific Contribution for Surgeon General Reports on Smoking and Health (2002)
- Charles C. Shepard Science Award from Centers for Disease Control and Prevention for Outstanding Paper in Prevention and Control Category (2014)

- Certificate of Appreciation for Outstanding Dedication and Support of the Office of the Surgeon General (2010 and 2012)
- Department of Health and Human Services Group Award for Outstanding Service, 1998 and 2007
- National Institutes of Health Award of Merit, 1989
- National Cancer Institute Special Act of Service Award, 1988
- Food and Drug Administration Team Excellence Award, 2011
- Food and Drug Administration Group Recognition Award, 2011
- Centers for Disease Control and Prevention Group Honor Award for Outstanding Service, 1996, 1997, 1998, 2006
- National Center for Chronic Disease Prevention and Health Promotion Group Award for Outstanding Service, 1998, 1999, 2000, 2003, 2005, 2006, 2009
- National Center for Chronic Disease Prevention and Health Promotion Individual Certificate of Appreciation, 2010, 2011
- Nominee, Charles C. Shepard Science Award for individual scientific publication, 1999, 2002, 2004, 2005, 2010, 2011
- Nominee, Charles C. Shepard Lifetime Scientific Achievement Award from Centers for Disease Control and Prevention (representing National Center for Chronic Disease Prevention and Health Promotion), 2014
- Nominee, Charles C. Shepard Lifetime Scientific Achievement Award from Centers for Disease Control and Prevention (representing National Center for Chronic Disease Prevention and Health Promotion), 2016

Major Grants and Contracts

- **Principal or Co-Investigator on 15 major R01 or N01 awards from the National Institutes of Health totaling more than \$59 million in direct costs:**

Principal Investigator, Minimal Contact Smoking Cessation Program

(R01-DA-02289) 3-1-80 to 2-28-83, \$202,799 total direct costs.

Co-Investigator, Heart Healthy Lifestyles Project (Hennepin County Health Department Contract) 1-1-80 to 12-31-82, \$96,772 total direct costs.

Co-Principal Investigator, Childhood Antecedents of Habitual Cigarette Smoking (N01-HD-92831) 9-30-79 to 9-29-82, \$276,944 total direct costs.

Co-Principal Investigator, Topographical Analysis of Smoking Behavior (R01-DA-02413) 3-01-80 to 6-30-85, \$267,275 total direct costs.

Co-Investigator, Minnesota Community Prevention Program (R01-HL-25525) 7-1-80 to 6-30-85, \$12,276,858 total direct costs.

Co-Investigator, Developmental Approach to Adolescent Smoking Prevention (R01-DA-03205) 9-30-82 to 8-31-85, \$340,858 total direct costs.

Principal Investigator, Midwest Smoking Legislative Survey (Basic Research Support Grant, School of Public Health) 12-9-82 to 6-30-84, \$4,500.

Principal Investigator, Analysis of Self-Help Smoking Cessation (Basic Research Support Grant, School of Public Health) 6-5-83 to 12-31-84, \$4,985.

- Principal Investigator, Modification of Smoking Behavior at the Worksite (American Heart Association Grant) 7-26-83 to 6-30-86, \$58,712 total direct costs.
- Co-Investigator, Self-Administration of Nicotine Gum (R01-DA-03728) 7-1-84 to 6-30-88, \$374,971 total direct costs.
- Co-Investigator, Smoking Cessation Delivered in Physician's Offices (R01-CA-38361) 7-1-84 to 6-30-89, \$1,550,723 total direct costs.
- Principal Investigator, Enhancing Smoking Cessation by Weight Gain Prevention (R01-CA-41647) \$462,028 total direct costs, Approved for funding May, 1986 but turned back due to new position at the National Cancer Institute.
- Co-Investigator, The Generalist Physician Initiative (The Robert Wood Johnson Foundation) 11-1-92 to 4-30-94, \$137,918 total direct costs.
- Co-Investigator, Medical Sociology, Epidemiology and Control of Cancer (T34-CA-09051) 6-1-91 to 5-31-96, \$846,922 total direct costs.
- Co-Investigator, The Women's Health Initiative Vanguard Clinical Center (N01-WH-3-2122) 3-1-93 to 2-28-2005, \$10,910,019 total direct costs.
- Co-Investigator, Center for Clinical and Medical Epidemiology (NIAAA) 12-1-93 to 11-30-98, \$7,871,848 total direct costs.
- Co-Investigator, New York Rural Health University Research Consortium (AHCPR) Task Order Contract, 12-1-93 to 11-30-98, \$500,000 total award limit.
- Co-Investigator, Environmental and Policy Determinants of Adult and Adolescent Tobacco Use Behavior in 22 North American Communities (Robert Wood Johnson Foundation) 10/1/94 to 9/30/96, \$117,181 total direct costs.
- Co-Principal Investigator, Comparison of the Costs and Effects of an Active versus a Passive Enforcement Program (Association of Teachers of Preventive Medicine and CDC) 11/1/94 to 10/31/95, \$78,599 total direct costs.
- Member, Niagara Falls School Health Planning Consortium, (New York State Department of Health & Robert Wood Johnson Foundation) 2/1/95 to 6/30/95, \$12,500 total direct costs.
- Co-Investigator, Adherence to Practice Guidelines for Congestive Heart Failure in Rural and Urban Ambulatory Practices: Assessment and Intervention Planning (New York State Department of Health) 7/1/95 to 6/30/96, \$85,324 total direct costs.

- Senior Advisor, Diffusion of Tobacco Control Fundamentals to Other Large Chinese Cities (Pfizer, Inc, Michael Eriksen PI), 12/1/2014 – 11/30/2015, \$849,632 total direct costs, year 1.
- Senior Advisor, Partnership to Improve Community Health (Fulton County Department of Health and Wellness), #1U58DP005568 (Rodney Lyn, PI), 3/01/2015—9/29/2016, \$466,449 total direct costs, year 2.
- Co-Investigator, The Science of Decision Making: Connecting People and Policy—Administrative Supplement (NIH/FDA) 3P50DA36128-02S1 (Michael Eriksen, PI), 9/30/2013—8/31/2016, \$378,986 total direct costs.
- Principal Investigator, Technical Assistance to the Georgia Department of Public Health on the Evaluation of the Health Impact of Smoke-free Policy in Savannah Georgia, Georgia Department of Public Health Purchase Order Contract #15024, April 2017, \$15,000 total direct.
- Senior Investigator, The Science of Decision Making: Connecting People and Policy (NIH/NIDA/FDA (1P50DA036128) 09/30/2013 - 02/29/2020, \$19,350,000 total direct costs.
- Principal Investigator, The Impact of Cardiovascular Risk-Benefit Messages on Preferences to Purchase Cigarettes or Alternative Nicotine Delivery Products (NIH/FDA), 5P50HL120163-03 (Terry Pechacek, PI), 8/1/2016—6/30/2018, \$149,715 total direct costs.
- Co-Investigator, Impact of Warning Labels on Adolescent Preferences to Purchase Electronic Nicotine Delivery Systems (NIH/FDA) 1R03CA216834-01 (Scott Weaver, PI), 4/01/2017-3/31/2019, \$150,000 total direct costs.
- Principal Investigator, Smokers' Decision-Making about Tobacco Use: The Interplay of Affective and Cognitive Factors with Product Characteristics (NIH/NCI R01-CA-235719) 09/19/2019 – 08/31/2024, \$3,184,579 total direct costs.
- Co-Investigator, Monitoring the rollout of IQOS in Atlanta (RWJF Award #76688) 8/15/2019-8/14/2020, \$358,678 total direct costs.
- Co-Investigator, Study the early adopters of IQOS tobacco heating system in Atlanta (NIH/FDA DA047397-02S1) 9/1/2019-8/31/2020, \$303,211 total direct costs.
- Co-Investigator, Monitoring the rollout of heated tobacco product IQOS in Atlanta (NIH/NCI CA194681-05S1) 9/1/2019-8/31/2020, \$368,291 total direct costs.

Collaborative Research Trials:

- Acting Intervention Director, Multiple Risk Factor Intervention Trial (MRFIT), University of Minnesota Clinical Center, Henry Blackburn, M.D., Principal Investigator, 1977-1978.
- Project Officer and Scientific Director, Community Intervention Trial for Smoking Cessation (COMMIT), National Cancer Institute, Division of Cancer Prevention and Control, 1987-1995. An 8.5 year multi-center trial in 11 pairs of North American communities, funded at \$42.6 million for 11 performance site contracts, Coordinating Center, and related evaluation contracts.

Co-Principal Investigator, Training Physicians in the People's Republic of China to Combat Tobacco Use: A U.S. - China Collaborative Developmental Trial, Chinese Association on Smoking & Health, Peking Union Medical College, Shanghai Medical University, and Tianjin Medical College, Jingjie Yu, M.D., Principal Investigator, 1987-1990.

Administrative and Academic Service
--

2015 – 2016	Interim Director, Division of Health Management and Policy, School of Public Health, Georgia State University
2015 – 2017	Member, School of Public Health Leadership Team
2015 – 2017	Member, School of Public Health Academic Affairs Committee
2015 – 2020	Member, School of Public Health Ph.D. Admission Committee
2015 – 2017	Member, School of Public Health MPH Admission Committee
2017 – 2020	Member, MPH Core Curriculum Revision Workgroup

Teaching Experience

(Courses Taught at Georgia State University, 2014-Present)

PH 7160: Fundamentals of Health Systems, Leadership, and Policy (Fall, 2018; Spring 2019; Fall 2019; Spring 2020)
 PH 7160: Introduction to Health Care System (Spring 2015; Summer 2015; Summer 2016)
 PH 8100: Seminar on Tobacco Regulatory Science (Fall 2015)
 Law7420: Product Liability and Safety (Spring 2016)
 PH 7600: Introduction to Global Health (Spring 2016; Fall 2016)
 PH 8910: Directed Readings: Health Economics and Policy (Summer 2016, Fall 2016)
 PH 2000: Introduction to Public Health (Fall 2016)
 PH 7992: Integrated Learning Experience (Spring 2018)

(Courses Taught at the State University of New York, 1991-1995)

SPM 509: History & Design of Prevention Trials
 SPM 504: Medical Care Organization (1st Year Medical Students) (Co-Coordinator)
 SPM 522: Selected Topics: A Seminar in Disease Prevention Trials
 SPM 560: Epidemiology and Health Policy
 SPM 606: Design and Analysis of Clinical Trials (Co-Coordinator)
 RPM 680: The Public Health Practice of Tobacco Control (Co-Coordinator)
 RPM 529: Study of Health Behaviors (Lecturer)
 SPM 501: Principles of Epidemiology (Lecturer)
 SPM 515: Epidemiology of Cardiovascular Disease (Lecturer)
 SPM 600: Social & Preventive Medicine (2nd Year Medical Students) (Lecturer)
 Principles of Behavior Change Module, Preventive Medicine Residency Program
 Numerous Other Workshops, Colloquia, and Presentations related to Clinical Preventive Medicine and Principles of Health Behavior Change

(Courses Taught at the University of Minnesota, 1983-1985)

PubH 8389: Smoking as a Public Health Problem
 PubH 8389: Topics in Health Behavior Science
 PubH 5047: Patterns of Substance Use and Abuse Among Adults
 PubH 5005: Topics in Public Health
 PubH 5386: Public Health Aspects of Cardiovascular Diseases (Lecturer)
 Psy 5609: Psychobiology of Addictive Behaviors (Lecturer)

Resident Faculty, American Heart Association's U.S. Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease, 1982-1984, 2006, 2008-2009 Lake Tahoe, California.

Resident Faculty, Workshop on Heart Attack Prevention: Practical Guides to Risk Factor Reduction, University of Minnesota School of Medicine Continuing Education Program, 1979-1985.

(Courses Taught at the University of Texas at Austin, 1970-1974)

Calculus I and Laboratories (4 sections), 1970-1971

Psychology of Education (1 section), Fall 1974

Numerous National and International Workshops, Colloquia, and Invited Lectures, including:

Using Best Practices: Practical Lessons in Building and Sustaining Comprehensive Tobacco Control Programs. Phoenix, Arizona: Tobacco Technical Assistance Consortium, Summer Institute, 2008. Lectures available at: <http://www.sph.emory.edu/media/BP/>
