

RODNEY LYN, Ph.D., M.S.

Dean and Associate Professor
School of Public Health
Georgia State University

PO Box 3995
Atlanta, Georgia 30302
rlyn1@gsu.edu
(404) 413-1133

EDUCATION

- Doctor of Philosophy, Educational Policy Studies** 2008
Cognate area: Public Policy
Georgia State University, Atlanta, Georgia
College of Education and Human Development
- Master of Science, Exercise Science** 1997
Georgia State University, Atlanta, Georgia
College of Education and Human Development
- Bachelor of Arts, Biology and Physical Education** 1995
St. Andrews Presbyterian College, Laurinburg, North Carolina

ACADEMIC EXPERIENCE

- 2021-present **Dean**
School of Public Health
Georgia State University
- 2019-2021 **Interim Dean**
School of Public Health
Georgia State University
- 2018-2021 **Senior Associate Dean for Academic and Strategic Initiatives**
School of Public Health
Georgia State University
- 2016-2018 **Interim Division Director**
Division of Health Management and Policy
School of Public Health
Georgia State University
- 2015-present **Associate Professor** (tenured)
Division of Health Management and Policy
School of Public Health
Georgia State University
- 2012-2018 **Associate Dean for Academic Affairs** (Interim August 2012 – May 2015)
School of Public Health
Georgia State University

2011-2016 **Deputy Director**
Center of Excellence on Health Disparities (NIH P20)
Georgia State University

2009-2015 **Assistant Professor** (tenure-track)
Division of Health Management and Policy
School of Public Health
Georgia State University

2007-2008 **Academic Professional** (non-tenure track)
Institute of Public Health and College of Health and Human Sciences
Georgia State University

2004-2007 **Research Associate**
Institute of Public Health
College of Health and Human Sciences
Georgia State University

PUBLICATIONS

Peer-Reviewed Articles

++ = co-leadership of manuscript and, in most cases, grant/site PI, senior author, or chair
Underlined = student author or co-authorship

GRANTS and FUNDING

Funded proposals

- Co-Principal Investigator (PI: Michael Eriksen). Health promotion and disease prevention research centers. Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, 2019-2024. **Award: \$3.7M**
- Site Principal Investigator. Racial and ethnic approaches to community health (REACH). Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion. Subcontract from DeKalb County Board of Health, 2015-2017. **Award: \$150,000**
- Co-Principal Investigator/Site Principal Investigator (PI: Tabia Akintobi, Morehouse School of Medicine, Prevention Research Center). Racial and ethnic approaches to community health (REACH). Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, 2014-2017. **Award: \$2.9M (subcontract to GSU - \$401,069)**
- Principal Investigator. Partnerships to Improve Community Health (PICH). Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, 2014-2017 (subcontract from Fulton County Department of Health and Wellness). **Award: \$750,000**
- Principal Investigator. Examining paradoxical outcomes in the County Health Rankings: a cross-case comparison of four communities in the South. Robert Wood Johnson Foundation, New Connections Program, 2014-2016. **Award: \$100,000**
- Principal Investigator. Implementation of community-based childhood obesity prevention: technical assistance to local communities across Georgia. Healthcare Georgia Foundation, 2013-2016. **Award: \$405,000**
- Principal, Georgia Healthy Communities Summit – Preventing Childhood Obesity, Georgia Health Foundation, 2016. **Gift: \$10,000**
- Principal Investigator. Caregivers promoting healthy habits: implementing wellness policies in child care centers in Georgia. Georgia Department of Early Care and Learning, 2014-2015. **Award: \$20,000**
- Principal Investigator. Assessment of community readiness to implement childhood obesity prevention strategies: utilization of the Community Readiness Model. Healthcare Georgia Foundation, 2012-2013. **Award: \$100,000**
- Lead Investigator for Research Training and Education and Center Deputy Director (PI: Michael Eriksen). Georgia State University Center of Excellence on Health Disparities. National Institutes of Health, National Center for Minority Health and Health Disparities, 2010-2015. **Research Training Award: \$803,405; Center Award: \$6.7 million**
- Co-Investigator (PI: Mike Mettler). Establishing a comprehensive school based physical activity program. Centers for Disease Control and Prevention / Georgia State University Seed Award, 2012-2014. **Award: \$96,246**

- Principal Investigator. Caregivers promoting healthy habits: implementing wellness policies in child care centers in Georgia. Georgia Department of Early Care and Learning, 2012-2013. **Award: \$25,000**
- Co-Principal Investigator and Director. Policy Leadership for Active Youth (PLAY): connecting research to practice for childhood obesity prevention. Healthcare Georgia Foundation, 2007-2011. **Award: \$495,000**
- Principal Investigator. Communities putting prevention to work: implementing wellness policies in child care centers in southwest Georgia. Georgia Department of Community Health, 2010-2012. **Award: \$128,000**
- Principal Investigator. Caregivers promoting healthy habits: implementing wellness policies in child care centers in Georgia. Georgia Department of Early Care and Learning, 2010-2011. **Award: \$25,000**
- Co-Investigator (PI: Mike Metzler). Evaluation of the implementation of Georgia House Bill 229 – The SHAPE Act for student fitness testing in public schools. Children’s Healthcare of Atlanta, 2010-2012. **Award: \$200,000**
- Principal Investigator, Development of an evidence-based resource to inform school and community action for childhood obesity prevention in Georgia. Philanthropic Collaborative for a Healthy Georgia, 2009-2010. **Award: \$80,000**
- Principal Investigator. Clinical care and community-based strategies to reduce the use of emergency department services for non-emergency reasons: a study focused on reducing health disparities in urban Atlanta, Georgia. Piedmont Healthcare System, 2009-2010. **Award: \$22,500**
- Principal Investigator. Evaluation of Georgia school districts’ local wellness policies. Georgia Department of Education, School Nutrition Division, 2007-2008. **Award: \$74,899**

Unfunded Proposals

- Principal Investigator. Georgia State RCMI Center for Minority Health, National Institutes of Health, National Institute of Minority Health and Health Disparities (U54); Budget: \$17.5M
 - Three submissions:
 - 2017-2022; Impact Score - 31
 - 2018-2023; Impact Score - 27
 - 2019-2024; Impact Score: 22
- Principal Investigator, Racial and Ethnic Approaches to Community Health (REACH), Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, 2018-2023. Approved But Unfunded
- Co-Investigator and Core Lead for Career Enhancement Core, Tobacco Center of Regulatory Science, National Institutes of Health and Federal Trade Commission, 2017-2022.

- Co-Investigator and Core Lead for Community Engagement, Center for Excellence on Health Disparities (CoEx II), National Institutes of Health, National Institute for Minority Health and Health Disparities, 2017.
- Co-investigator (E. Tone & L. Cohen, Multi-PIs), Inclusive Mentoring to Promote and Cultivate Talented Scientists (IMPACTS), National Institutes of Health, 2017.
- Principal Investigator, National Sodium Reduction in Communities Program, Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, 2016-2021, Budget \$1.5M. Approved But Unfunded
- Principal Investigator, NIMHD Transdisciplinary Collaborative Centers for Health Disparities (U54), National Institutes of Health, National Institute of Minority Health and Health Disparities, 2016-2021. Impact Score: 45

PRESENTATIONS

Refereed Presentations (first-authored only, not a comprehensive list)

- Increasing community readiness for childhood obesity prevention: A case study of four communities in Georgia (November, 2020; Erica Health primary presenter). **American Public Health Association Annual Meeting**. Scheduled location San Francisco, California. (oral-podium)
- Global implementation of obesity prevention policies: a review of progress, politics, and the path forward (June 2020). **International Society of Behavioral Nutrition and Physical Activity (ISBNPA)**. Virtual presentation, originally scheduled for Auckland, New Zealand (international, oral-podium-virtual)
- A systematic review of interventions to increase physical activity informed by the socio-ecological model (November 2019). **American Public Health Association Annual Meeting**. Philadelphia, PA. (national presentation, oral-podium)
- Assessing community readiness for childhood obesity prevention (February 2018). **Active Living Research Conference**. Banff, Alberta, Canada. (international presentation, poster)
- Search for Positive Health Outcomes in Low-Income Racially Diverse Counties in the South (November 2017). **American Public Health Association Annual Meeting**. Atlanta, GA. (national presentation, poster)
- Implementation of the SHAPE Act in Georgia: An evaluation of FITNESSGRAM® administration (2015, September). **International Conference on Diet and Activity Methods**, Brisbane, Queensland Australia. (international presentation, oral-podium)
- Implementation of the SHAPE Act in Georgia: An evaluation of FITNESSGRAM® administration (February 2015). **Active Living Research Annual Meeting**, San Diego, California. (national presentation, oral-podium)

- Policy, systems, and environmental change for obesity prevention: a framework to inform policy and practice (April 2014). **International Conference on Physical Activity and Public Health**, Rio de Janeiro, Brazil. (international presentation, oral-podium)
- Barriers and supports to implementing a nutrition and physical activity intervention in child care: Director's perspectives (2013). **American Public Health Association Annual Meeting**. Boston, MA. (national presentation, oral-podium)
- Physical activity practices and environments of childcare centers in Georgia (2013). **American Public Health Association Annual Meeting**. Boston, MA. (national presentation, poster)
- Nutrition and physical activity in child care centers: The impact of a wellness policy initiative on environmental and policy assessment outcomes (May 2013). **International Society for Behavioral Nutrition and Physical Activity**. Ghent, Belgium. (international presentation, oral-podium)
- Policy, systems, and environmental change for obesity prevention: a framework to inform local and state action (November 2012). **American Public Health Association Annual Meeting**, San Francisco, CA. (national presentation, oral-podium)
- Child Care Centers as a Setting for Childhood Obesity Prevention: The Impact of a Wellness Policy Initiative on Nutrition and Physical Activity (May, 2012). **Weight of the Nation, Centers for Disease Control and Prevention**. (national presentation, poster)
- Linking Collaborative Structures and Processes with Collaborative Effectiveness: Findings from the Coalitions and Networks for Active Living (CANAL) Study (Jill Litt, primary presenter). **International Society for Behavioral Nutrition and Physical Activity**. Austin, TX, May 2011. (international presentation, oral-podium)
- Nutrition and Physical Activity in Child Care Centers: The Impact of a Wellness Policy Initiative on Environmental and Policy Assessment (EPAO) Outcomes (March, 2012). **Active Living Research Annual Meeting** (a research program of the Robert Wood Johnson Foundation), San Diego, California. (national presentation, oral-podium)
- Nutrition Practices in Child Care Centers in Georgia: Results from a Pilot Intervention (Joyce Maalouf, primary presenter). **American Public Health Association Annual Meeting**, Washington, D.C., 2011. (national presentation, oral-podium)
- Coalescing regional efforts around obesity prevention to develop a southern strategy for childhood obesity prevention (September 2010). **Southern Obesity Summit**, Atlanta, Georgia. (regional presentation, oral-podium)
- Lessons Learned in Cross-sectoral Coalition Building and Policy Change around Childhood Obesity (November 2009). **American Public Health Association Annual Meeting**, Philadelphia, Pennsylvania. (national presentation, oral-podium)
- Analysis of Georgia School Districts' Wellness Policies: Examination of Policy Compliance, Strength, and Factors of Influence (August 2008). **African-American Collaborative Obesity Research Network (AACORN)**. University of Pennsylvania, Philadelphia, PA. (national presentation, poster)

- ACSM Select Symposium: The efficacy of exercise as an aid for smoking cessation. Presentation title: Tobacco Prevention and Physical Activity Promotion: Silos or Synergy (May 2008). **American College of Sports Medicine Annual Meeting**. Indianapolis, IN. (national presentation, oral-podium)
- Lessons Learned in Research Translation, Coalition-Building and Advocacy around Childhood Overweight (June 2007). **World Conference of the International Union for Health Promotion and Education (IUHEPE)**. Vancouver, BC. (international presentation, oral-podium)

Invited Oral Presentations

- Reinventing Education: Building from 2020 to the Future (March 2021) **Association of Schools and Programs of Public Health (ASPPH)**. (national presentation)
- Global implementation of obesity prevention policies: a review of progress, politics, and the path forward, 2020, **Emory University Law School**. (state presentation, oral-podium)
- Opening Keynote: Active Living Across the Lifespan (February 2017). **Active Living Research 2017**, Clearwater, Florida. (national presentation, oral-podium)
- Food Access in SW Atlanta. **Satcher Health Equity Lecture Series, Morehouse School of Medicine, 2016**, Atlanta, GA. (state presentation, oral-podium)
- The application of public health lessons to stemming the obesity prevention, September 2015, **University of Newcastle, New South Wales Australia** (international presentation, oral-podium).
- Obesity prevention and public health: The challenges of policy, systems, and environmental change approaches in the southeastern US? **Public Health Law Conference, 2014**. Atlanta, Georgia. (national presentation, oral-podium)
- Nutrition and Physical Activity in Child Care Centers: The impact of a wellness policy initiative on environmental and policy assessment outcomes. **Daniel S. Blumenthal Annual Public Health Summit: Preventing Obesity through the Life Stages**. Morehouse School of Medicine, Atlanta, Georgia, April 2013. (regional presentation, oral)
- Assessing the evidence for community-centered efforts on obesity prevention. **WHO Collaborating Centre for Obesity Prevention**, Deakin University, Melbourne, Victoria, Australia, June 2011. (international presentation, oral-podium)
- Childhood Obesity Prevention in Georgia (October 2010). **University System of Georgia, Board of Regents**, Atlanta, Georgia. (state presentation, oral-podium)
- Preventing Childhood Obesity (September 2010). **4-H State Youth Leadership Summit**, Rock Eagle State Park, Eatonton, Georgia. (state presentation, oral-podium)
- Childhood Obesity: Addressing the Epidemic (June 2010). **Georgia State University Foundation**, Reynolds Plantation, Greensboro, Georgia. (state presentation, oral-podium)

- Childhood Obesity: Developing Into Type II Diabetes. **Foot Hills Area Health Education Center**. Statewide Video Conference for Clinicians (November 2009). (state presentation, oral-podium)
